

GOVERNOR PROFILES DECEMBER 2018

Abigail Marsden – Chair of Governors

I am Abigail Marsden, and have been on the school governing body for a number of years and I am the chair of governors. I am a community governor. Although not originally from Northamptonshire I have now lived in Brigstock for almost 20 years. My husband, Peter and I, have four children. Two have attended Brigstock Primary and are now at secondary school, I have a daughter currently at the school and a son who started in September 2017.

I am a registered social worker and have worked for a number of Local Authority's Children's Services. I am currently a trustee of Home-Start Corby.

My enthusiasm for Brigstock school over a number of years has been fuelled through experiencing the amazing opportunities made available to our children and seeing the pride and enthusiasm the children, staff and parents have for the school. I am always interested in hearing your views and thoughts about our school so please do contact me via the school office.

Enyi Lloyd-Uzoegbu – Local Authority Governor

I and my family live within the village of Brigstock and I have three children who attend the school. The opportunity to be a governor is a privileged opportunity for me to contribute in a small way to the positive growth of the school and be an active part of the school community.

It also allows me to bring my professional social work experience of working with children and young people in various settings allow the pursuing of my personal value on wanting all children to be able to achieve their full potential and have a lots of fun on the way.

Paula Addison- Pettit – Foundation Governor

I've lived in Brigstock for 15 years. All 3 of my children have enjoyed attending Brigstock Latham's School but are now at secondary school.

I have been a secondary school teacher and now work at the Open University. I've been a Foundation Governor since 2015 and have found it a fascinating and rewarding experience.

As a governor I've worked with the whole school community and also been a link with staff about Science, RE and PSHE curriculum.

It's a varied role but the most rewarding aspect has been seeing the children learning together and making great progress.

Claire Turner – Parent Governor

My name is Claire Turner and I am a Parent Governor here at Brigstock Latham Primary. My daughter attends the school and is currently in Reception class.

My choice to become a Parent Governor was an easy one to make, as I truly believe in the ethos of Brigstock Primary and am privileged to be able to contribute to the continued improvement and success of the school.

My background has been working with children, young people and their families as a part of the Early Help and Prevention team within Northamptonshire and I look forward to bringing these skills to the governing body and school team.

My name is Lindsey Robertson and I am a Co Opted Governor at Brigstock Latham Primary. I live locally just outside of Brigstock with my husband and 2 children who have both attended Brigstock school since 2014.
