tradition, community and achievement”*

“Therefore encourage one another and build each other up.”

Dear parents and carers,

We are all looking forward to being back in school on Monday and we want to take this opportunity to thank you for all your support over the past weeks. Attached to this newsletter are further details about the return to school and we hope that this will enable a smooth return after such a long time away for so many of you.

This week we have all enjoyed sharing a range of book activities and it has been good to see so many of you enjoying World Book Day, albeit remotely! Our staff team enjoyed planning a range of book-related activities across all subjects, and we have seen so many thoughtful and creative responses.

As we return to school we will also be looking forward to Easter and we hope to continue with some traditional Easter events- safely, of course. You will receive a separate letter from the PFA about our Easter Art Attack, and we also plan to go ahead with egg-rolling, so start egg-designing! We will also be asking all families to create an Easter garden for the last week of term, and we ask that the garden is suitable for displaying outside. We look forward to seeing you next week, and we thank you all again.

Kind regards, Mrs Ettridge and Ms Manssen
